GEOGRAPHICAL LIST

GEOGRAPHICAL LIST

Addresses received since the printing of the alphabetical section have been included in this list. Business addresses are given where there has been more than one address. For large cities the suburbs should also be consulted. Territories of the United States, as Canal Zone and Philippines, are arranged alphabetically with the States. The list of alumni associations is given in the Introduction. Academic records are given in parentheses, the last year at the University always being given first.

(la '14-)(ag '13)—person now at the University after a period of absence and registered in another department.

(la '08 Fac '14)—student 1908 and on faculty 1914.

***Smith* Robert E ('83)—academy student 1883 (or if in black face type or large capitals, last year as Trustee, President or faculty member.**

For other abbreviations see page preceding alphabetical list.
